Notes:

Framework semester duration:

Both the **winter and summer semesters** always begin and end at the same time in accordance with Statute

Part 2 – Study Law:

Summer semester: 15 February – 31 August

Winter semester: 01 September – 14 February

These dates define the basic framework for the duration of the semester.

Teaching:

The start and end of teaching are defined on a programme-specific basis and will be adapted each year.

This academic calendar is part of the USTP statutes and – with the exception of the framework semester duration – is newly determined for each academic year.
