Notes

General Semester Dates:

The semester dates are the same for every year:

Summer Semester: 15 Feb. – 31 Aug.

Winter Semester: 01 Sep. – 14 Feb.

Within these semester dates, regular degree-seeking students and students on further training programs are covered by student insurance and confirmations of enrolment are issued for these periods.

Teaching Weeks:

The teaching weeks define the period within which classes are held and this may vary slightly per academic year. Exam periods may be scheduled for outside these dates.

The Academic Calendar forms part of the Statutes of St. Pölten University of Applied Sciences and is published individually for each academic year.
