I. USTP - Studying at University of Applied Sciences St. Pölten

1. USTP

Situated 60 km to the west of Vienna in Austria's oldest baroque town, the USTP was founded in 1996. It is an expanding institution of higher education with more almost 4,000 enrolled students.

Campus St. Pölten – Copyright: Peter Rauchecker

Further information about the USTP can be found [here](#).

1.1. Institutional Data

Official name:	Hochschule für Angewandte Wissenschaften St. Pölten GmbH
English Name	USTP - University of Applied Sciences St. Pölten
Address:	Campus-Platz 1 3100 St. Pölten, Austria
Website:	https://www.ustp.at/de , https://www.ustp.at/en
Facebook:	https://www.facebook.com/ustp_hochschule
Youtube:	www.youtube.com/ustp_hochschule
Instagram:	https://www.instagram.com/ustp_hochschule
ESN Group Instagram:	http://instagram.com/esn_stp
Head of Institution:	FH-Prof. Dipl.-Ing. Dr. Alois Frotschnig Chairperson of the Board tel: +43 2742 313 228-601
Legal representatives:	FH-Prof. Dipl.-Ing. Hannes Raffaseder Chief Research and Innovation Officer (CRO and CINO) tel: +43 2742 313 228-616 FH-Prof. Dipl.-Ing. Johann Haag Chief Operation Officer (COO) tel: +43 2742 313 228-631

1.2. International Office

The International Office is your first point of contact for all questions pertaining to living and studying in Austria as an international degree-seeking student.

The team of the International Office offers support and advice for students, lecturers, staff and researchers in all matters relating to internationalisation. It is responsible for the implementation and realisation of international activities.

1.3. Programme Administration Contacts

Department of Digital Business & Innovation	
Management & Digital Business (BA)	Nina Brandstätter
Marketing und Communication (BA)	Sabine Zwedorn
Digital Marketing und Communication (MA)	Melanie Eder
Digital Media Management (MA)	Melanie Eder
Economic & Financial Communications (MA)	Melanie Eder
Department of Media & Digital Technologies	
Creative Computing (BSc)	Anna Lettner-Seisl
Digital Healthcare (MSc)	Sabine Stangl
Media Technology (BSc)	Karin Gröbner/Christina Kirchner
Media Management (BA)	Valerie Zeller
Smart Engineering of Production Technologies and Processes (BSc)	Petra Kammerer
Digital Design (Dipl.-Ing)	Claudia Kern
Digital Media Management (MSc)	Claudia Kern
Digital Media Production (Dipl.-Ing.)	Claudia Kern

Interactive Technologies (Dipl.-Ing.) Gamified Reality Applications for Real-World Challenges and Experiences (MA) Citizen-Centered Digital Health and Social Care (MSc)	Claudia Kern Sabine Stangl Sabine Stangl
Department of Computer Science & Security	
Data Science and Artificial Intelligence (BSc) IT Security (BSc) Digital Innovation and Research, Dual (MSc) Cyber Security and Resilience, Dual (MSc) Data Intelligence* (Dipl.-Ing.) Information Security (Dipl.-Ing.)	Bettina Mainusch Barbara Kriegner Barbara Friedl Stefanie Stamminger Bettina Mainusch Stefanie Stamminger
Department of Rail Technology & Mobility	
Rail Technology and Mobility (BSc) Rail Technology and Management of Railway Systems (Dipl.-Ing.)	Silvia Urban Silvia Urban
Department of Health Sciences	
Dietetics (BSc) Healthcare and Nursing (BSc) Physiotherapy (BSc)	Özlem Cimen-Huber Zwedorn Sabine Klaudia Jahodinsky
Department of Social Sciences	
Social Work (BA) Social Work (MA) Social Pedagogy (BA)	Sandra Sturzeis Sylvia Lessiak Erika Pany

You can find the programme administrators' contact information [here](#).

1.4. Academic Calendar

The academic year is divided into two semesters, a winter semester and a summer semester. At the beginning of the semester, new international degree-seeking students are invited to participate in the USTP' Orientation Days for International Students. Information will be sent out in good time before the start of the Orientation Days.

The winter semester starts at the beginning September/October and ends at the end of January/beginning of February. The summer semester starts in February and ends at the end of June/beginning of July.

More information may be found [here](#).

2. Studying

The USTP runs bachelor and master degree programmes and a number of further education programmes in the fields of [Media](#), [Digital Technologies](#), [Communications](#), [Management](#), [Informatics & AI](#) , [Security](#), [Mobility Engineering](#), [Health](#), and [Social](#).

2.1. Bachelor and Master Degree Programmes

You would like to find out more about the USTP' programmes at bachelor level? Click [here](#) to access the list of all bachelor degree programmes offered.

You would like to find out more about the USTP' programmes at master level? Click [here](#) to access the list of all master degree programmes offered.

2.2. Degree Programmes Offered in English

Bachelor

Media & Digital Technologies

- Creative Computing (BSc)

Master

Computer Science & Security

- Digital Innovation and Research (MSc)
- Cyber Security and Resilience (MSc)

Media & Digital Technologies

- Gamified Reality Applications for Real-world Challenges and Experiences – GRACE (MSc)
- Citizen-Centered Digital Health and Social Care (MSc)

The rest of our degree programmes require fluency in German (B2).

2.3. Qualification Awarded

DEGREES	DURATION OF STUDY
Bachelor of Arts in Business (BA)	6 semesters
Master of Arts in Business (MA)	4 semesters
Bachelor of Arts in Social Sciences (BA)	6 semesters
Master of Arts in Social Sciences (MA)	4 semesters

Bachelor of Science in Health Studies (BSc)	6 semesters
Bachelor of Science in Engineering (BSc)	6 semesters
Master of Science (MSc)	4 semesters
Diplom-Ingenieur/Diplom-Ingenieurin (Dipl.-Ing or DI) or Master of Science in Engineering (MSc)	4 semesters

2.4. Tuition Fees

The tuition fee for bachelor and master degree programmes currently amounts to EUR 363.36 per semester + the Austrian Students' Union (ÖH) fee. The tuition fee must be paid with the signing of the educational contract.

For students from third countries with a student residence permit (who are not citizens of the EEA countries Norway, Iceland, Liechtenstein or Switzerland), the tuition fee amounts to **EUR 1,500 per semester** plus the Austrian Students' Union fee.

In addition to the tuition fee, a contribution fee is collected by the USTP on behalf of the Austrian Students' Union (ÖH). Upon payment of the students' union fee, you become a member of the ÖH (with active and passive voting rights) and have access to the ÖH accident and liability insurance. Please visit the ÖH website to check how this covers you. It does not replace a Health Insurance that covers you for all risks.

For more information about tuition fees and costs of studying, go to our website.

2.5. Application

To apply to the USTP, please follow the steps outlined on our website. Please make sure to obtain information on application deadlines as indicated in the blue box on the web page of your selected study programme as soon as possible.

For any **questions about the application process**, please contact the **Campus and Study Centre** at csc@ustp.at.

2.6. Grants and Scholarships

For information on grants and scholarships for your stay in Austria go to the [Austrian Scholarship Database](#) of the Austrian Exchange Service (OeAD) or visit our [website](#).

International degree-seeking students with higher tuition Fees (Third-Country Nationals) of the study programmes Creative Computing, Cyber Security and Resilience, and Digital Innovation and Research can apply for a merit-based tuition fee waiver for exceptional academic performance.

For detailed information, please visit our [website](#) or contact your study programme administrator.

3. Arrival, Onboarding and Enrolment

3.1. How to Find Us

Click [here](#) to find out where the Campus is located and how to find us. Access our navigation guide to find your way around the Campus St. Pölten ([USTP](#)).

3.2. Orientation Days for International Students

Each semester starts with onboarding activities for international students planned by the International Office. All international students are invited to attend the Orientation Days to help them get started in Austria.

3.3. Enrolment

You will receive information on your enrolment date in due time prior to the start of your studies. After you have successfully completed your enrolment, you can download your proof of enrolment in the [CIS](#).

3.4. Timetable

Your personal timetable can be found in Campus Information System (CIS). Your login data will be sent to you via e-mail as soon as you are admitted to study at the University of Applied Sciences St. Pölten.

3.5. Online Introductory Course

As soon as you receive your login data, you are obliged to autonomously complete an online Introductory Course on eCampus to obtain essential information on studying at USTP.

3.6. Student ID Card

The student ID card (= Campus Card) can be used as a copy and print card. We also recommend you use your Campus Card to take advantage of reduced student prices for many attractions in Austria, like cinema and theatre tickets, sports club membership, entrance to museums etc.

In case you lose your Campus Card, you need to pay € 10 in the Campus Service Centre to get a new one. If you break the card, the first replacement is for free, as a gesture of goodwill, the second replacement costs € 10.

4. Examination Regulations

4.1. Examination Regulations

You can find the Examination Regulations in Part 2 (Study Law) of the Statute of USTP in the download centre on the website.

Examinations may take various forms: formal written or oral examinations, assessment of course papers, a combination of the two, or other means such as presentations during seminars.

4.2. Exam Period

The exam period for most degree programmes is in the last week of each semester (end of January/early February in the winter semester, end of June/early July in the summer semester) and in the first week of each term before teaching starts (mid/end of February for the winter semester, mid/end of September for the summer semester). Occasionally exams are held earlier.

If a course is blocked, exams are usually held right after the block. Exam dates are announced by the lecturers at the beginning of the semester.

4.3. Re-sits

If a student fails an exam, he or she can re-sit the exam. If this is also failed, the student is examined by an especially appointed board of professors (= kommissionelle Prüfung). If this oral exam is not passed, the student has to leave the university.

4.4. Compulsory Attendance

Attendance in all classes (lectures, seminars, labs, etc.) is compulsory. If you are absent too often, you cannot receive a positive grade or even a 'successfully completed'.

5. Extracurricular Activities

5.1. Campus Sports

To register for campus sports courses, go to the [CIS](#) -> My CIS -> My registrations. Click [here](#) to access the current sports programme.

For any questions, please contact astsport@ustp.at.

5.2. Campus Media

USTP has its own television, print media and radio channels.

Click [here](#) to find out more.

5.3. Language and Cultural Programme for International Students

- German 1, 3 ECTS credits

For learners without previous knowledge of German

- German 2, 3 ECTS credits

For learners with some knowledge of German on the first basic user level of CEFR

Placement tests and consultation for learners of all levels at the beginning of the semester.

- Scouting Austrian Culture, 3 ECTS credits – ***in English***

Workshop sessions on Austrian culture including excursions

There is no charge for attendance. To register, write an e-mail to incomingstudents@ustp.at in good time before the semester start.

5.4. Optional Subjects:

To register for a voluntary subject, go to [CIS](#) > 'My CIS' > 'My registrations' and register online. Some optional subjects have an attendance fee of up to EUR 50.00, while others are free of charge.

6. Student Associations

6.1. Austrian Students' Union (ÖH) St. Pölten

All students at the University of Applied Sciences St. Pölten are members of the Austrian Students' Union (ÖH).

Click [here](#) to find out more about the St. Pölten section of the ÖH.

To contact the ÖH St. Pölten representatives for Internationalisation, write an e-mail to intref.oeh@ustp.at.

Additionally, the Department for Foreign Students of the national ÖH offers free counselling for all those who are already studying at an Austrian university or would like to start studying here. For more information, click [here](#).

6.2. Erasmus Student Network (ESN) St. Pölten

The Erasmus Student Network St. Pölten (ESN) is a subsection of ESN International– the biggest student association in Europe.

The ESN St. Pölten carries out a variety of activities with the international students, e.g. a welcome party, picnics, international dinner, trips to Vienna and other Austrian places, etc. These activities are partially sponsored by the university and the cost of taking part is therefore usually affordable.

More information about the activities of the ESN in Austria can be found here.

6.3. Peers4You

Peers4You consists of an interdisciplinary group of students who made it their task to support other students. They are there for you and lend a helping hand in case of difficulties.

Click here for more information.

7. Facilities

In the autumn of 2021, the USTP opened its new Campus building which features even more well-equipped new seminar rooms, modern studios and labs, self-learning zones, the Learning Café, and a large library with studying booths.

Click [here](#) to take a look at the new Campus St. Pölten.

Main Hall – Copyright Peter Rauchecker

7.1. Computer Services and E-Mail

The University of Applied Sciences St. Pölten has several computer rooms equipped with up-to-date technology. Students can use the computers in the computer rooms when no lectures are held. During weekends and on holidays students can enter the computer rooms with their student ID card 24/7.

You will receive your own e-mail account at the USTP and you can also use the internet. Please be aware that you are obliged to check your e-mails regularly during your entire stay at the USTP, as you will receive most important information by e-mail.

USTP has an e-learning platform called 'eCampus'. Students are asked to carefully read the eCampus Manual to familiarise themselves with the USTP' e-learning platform.

The Campus Information System (CIS) is used for administrative matters such as correcting their student data, accessing grades, or checking their timetable. Students are asked to familiarise themselves with the CIS Guide at the beginning of the semester.

WIFI is available all over the campus. You can find the WIFI Guide in the CIS.

Students receive a username and an initial password before the semester start. As soon as they have changed their initial password, they can use the same login data for their e-mail, the CIS, eCampus, the computer rooms, and the WIFI.

7.2. Copy Machines and Printers

The student ID card can be used as a copy & print card, in the student cafeteria and in the library. Your student ID card gives you access to the university building 24/7, to the laboratories (only for authorised persons) and the computer rooms.

Students are advised to consult the following manuals before using the copy machines and the printers

- Printer Installation Guide
- Brief Instructions for Copying and Printing Devices
- Print Guide

7.3. Canteen

A meal costs at the canteen costs about €6.00 – €8.00. You can access the weekly meal plan and the canteen opening hours here.

7.4. Campus and Study Center

The Campus and Study Center (CSC) is in the main hall of building B. The CSC is responsible for general queries. You may find the opening hours and a list of their services [here](#).

7.5. Gender and Diversity Management

Detailed information on Gender and Diversity can be found [here](#).

Students are asked to inform their study programme administrator in advance about any special needs so that appropriate measurements can be taken.

The university building is equipped with lifts so that people with impaired mobility can access all floors and classrooms without any problems. All entrances of the building are also easily accessible.

7.6. Alumni Relations and Career Management

The USTP' [Alumni Relations and Career Management](#) offers advice and guidance for all students and alumni concerning matters such as the application process, career start and business foundation.

Enrolled students can find vacancies on the [job platform](#) of the Alumni Relations and Career Management.

7.7. Library

With a current stock of over 50,000 items, the library offers specialised resources to students of all study programmes taught at the USTP.

Click [here](#) to learn more about the library and access the opening hours.

Campus Library – Copyright Peter Rauchecker

II. Living and Studying in Austria

1. All You Need to Know About Studying in Austria

The following institutions provide detailed information for international students who plan to study in Austria:

- [Austria's Agency for Internationalisation -- OeAD](#)
- [ABA – Work in Austria](#)
- [Austrian Federal Ministry](#)

ABA – Work in Austria also provides information for students planning to combine studying and working or wishing to stay in Lower Austria after graduation at their [Work in Lower Austria website](#).

1.1. Austrian Grading Scheme

The Austrian education system has five grades.

Austrian Grading Scale

1 = Sehr gut/Very good
2 = Gut/Good
3 = Befriedigend/Satisfactory
4 = Genügend/Sufficient
5 = Nicht genügend/Not sufficient, Fail
met = Successfully completed
oet = Not completed

If you participate in a course regularly but do **not** fulfil the course requirements, you can only be awarded the grade 5 (Fail) or “Ohne Erfolg teilgenommen”/Not completed. Please note that in this case your home university will not give you credits for this course.

Usually, 50% of available points have to be obtained to pass an exam, but professors can set the limits according to their own requirements.

1.2. ECTS Credits

The European Commission has developed the European Credit Transfer and Accumulation System (ECTS) for students who want to study abroad without ‘losing time’ in completing their degree. ECTS credits are used to compare learning achievements of different courses in European countries.

In ECTS credits, a year of study is represented by 60 credits and six months by 30 credits. These credits are allocated to course units depending on the workload required to complete

them. Credits are awarded only if a course has been completed and all examinations have been passed.

2. Accommodation

The International Office of USTP gives international students support in finding a room at the student homes (Campus Domus & WIHAST) by providing information. However, the University of Applied Sciences St. Pölten cannot guarantee accommodation for students. Students may also look for a flat or a shared flat independently.

Typical monthly costs in St. Pölten vary depending on accommodation type and availability. As a general orientation, many student rooms are approximately EUR 350–500 per month (excluding possible extra fees and deposits).

Please find detailed information on the website: [click here](#)

If you need support from the International Office, please contact incomingstudents@ustp.at

3. Insurance

We strongly advise you to take care of insurance issues before your arrival in Austria.

3.1. Health Insurance

Austria has an excellent health-care system. If you are staying in Austria for less than one year, you should find out if there is an agreement between your home country and Austria regarding health insurance.

Between most EU countries, there is a reciprocal health insurance system. You need to bring your European Health Insurance Card (EHIC) from your national health insurance provider in your home country before coming to St. Pölten to ensure that you can be treated in Austria in the event of illness without having to pay for it.

If you are not covered by such a health insurance agreement, you will need a medical insurance policy from your home country covering the time of your stay in Austria. The insurance policy must be arranged before your arrival in Austria.

People who need a visa or residence permit for entry to Austria have to provide proof of health insurance when applying for the visa or residence permit.

For more information, please see the website of the [Austrian Exchange Service \(ÖAD\)](#).

In Austria, there are doctors that have contracts with, and are paid directly from national health insurance providers. There are also doctors that do not have such contracts (“Wahlarzt”) and will require payment from the patient. To be sure if your health insurance covers your doctor appointment, always make sure to ask beforehand.

3.2. Accident and Liability Insurance

All students at the USTP are members of the Austrian Students’ Union (ÖH). At the beginning of the semester each student has to pay a membership fee per academic year (membership fee + your own health insurance).

A basic overview of the ÖH Insurance is it is provided for all accidents and liability issues in causal relation to the education (e.g. accidents in classrooms, during project weeks, work placements, on the way to or from the university, etc.). Accidents and liability matters in the private environment are not covered by this insurance.

For further information on what the ÖH Accident and Liability insurance covers, please visit their website.

4. Entry and Residence Requirements

We recommend you familiarise yourself with the entry and residence requirements in Austria in good time before coming to Austria.

Check more information on Visa and Residence Permit on the website: click [here](#)

We also recommend students to visit the website of the Austrian embassy in their home country to find out which residence entry and residence requirements apply to them.

Please note that the Austrian Students Union (ÖH) also offers counseling for international students on topics such as problems concerning your residence permit or visa, admission to studies, acquisition of German language skills, questions about tuition fees and other difficulties.

4.1. Registration of Residence ('Meldezettel')

In Austria, every student is required to inform the Austrian authorities of their residence details within 3 days of moving to Austria / moving to a new accommodation. For the registration of residence, you have to fill in the so-called 'Meldezettel' ([download here](#)). The Meldezettel must be duly signed by your student home or your landlord/landlady and submitted to:

Meldeamt St. Pölten, Rathaus	Office hours:
Rathausplatz 1, 3100 St. Pölten	Mon, Wed, Thu: 7.30 – 16.00
tel. + 43 (2742) 333-3023 -3024 or -3025	Tue: 7.30 – 18.00
e-mail: meldeamt@st-poelten.gv.at	Fri: 7.30 – 13.00

Don't forget to bring your passport or ID card. You can request an information sheet with detailed instructions on how to register your residence in Austria at the International Office.

Students living in Vienna are required to register their residence at the competent authority of their Viennese district.

4.2. Information for Nationals of EU/EEA countries & Switzerland:

If you are a national of an EU/EEA country or Switzerland, you don't need a visa and enjoy freedom of domicile. If you have sufficient financial means to finance your stay in Austria and a valid health insurance covering all the necessary costs, you only need a valid travel document (passport or identity card) for entry and residence in Austria.

If you are going to stay in Austria for **more than 3 months**, you have to register with the competent municipal authority (Magistrat) within 4 months of your stay (!) and you will receive a confirmation of registration/ 'Anmeldebescheinigung'. Here you will find all information regarding the Anmeldebescheinigung.

Magistrat St. Pölten, Rathaus Niederlassungs- und Aufenthaltsbehörde Rathausplatz 1, 3100 St. Pölten	Office hours: Mon – Fri: 8.00 – 12.00
Contact: tel.: +43 (2742) 333-2082, -2083 or -2084 e-mail: niederlassungsbehoerde@st-poelten.gv.at	

For this registration, you must submit the following documents:

- filled in and signed [application form](#)
- valid identification card or passport,
- proof of health insurance covering your stay in Austria (e.g. European Health Insurance Card, insurance policy, student insurance, etc.),
- proof of sufficient financial means (e.g. deposit at an Austrian bank, traveller's cheques, bank statement, etc.):
- confirmation of admission to the University of Applied Sciences St. Pölten.

This registration is necessary in addition to the registration of residence ('Meldezettel'). You can request an information sheet with detailed instructions on how to register as an EU/EEA/Swiss citizen in Austria from the International Office.

4.3. Information for Nationals of Other Countries (Third Countries):

If you do not have EU/EEA or Swiss nationality, you will need to apply for a visa or a residence title for your semester in Austria. Please check more information on Visa and Residence Permit on the USTP website: click [here](#)

You can also find more information on the [government site](#) or on the [Austrian Agency for Education & Internationalisation site](#).

As mentioned previously, the [ÖH also offers counseling](#) on visa applications for international Students.

4.4. Notice of Departure ('Abmeldung' Section in the 'Meldezettel')

Every student is obliged to inform the Austrian authorities of their departure. To give a notice of departure, you have to fill in the section 'Abmeldung' in the 'Meldezettel'. The notice of departure must be given within three days before or after you move out of your registered accommodation in Austria.

5. Living in St. Pölten

5.1. Cost of Living

LIVING COSTS PER MONTH	EUR
Student dorm (excl. safety deposit)	~ 400.00 (approx.)
Food (excluding luxuries and tobacco)	~ 350.00
Study and personal requirements, books, culture, recreation	~ 400.00
TOTAL	approx. 1,150.00

AVERAGE PRICES	EUR
Cinema	~ 10.00
Entrance to clubs	~ 10.00 – 15.00
Sandwich at a bakery	~ 4.50
Coffee, tea	~ 3.50
Beer (0.5 l)	~ 4.00
Meal in the canteen	~ 6.00 – 8.00

5.2. Medical Facilities

General practitioners in St. Pölten:	Pharmacies:
<p>Dr. Elisabeth Hasenzagl Dr. Adolf-Schärf-Str. 9</p> <p>tel.: +43 676 / 622 15 tel.: +43 (2742) 34 84 34-0</p> <p>https://traisenpark.at/zfg/allgemein-medizin/</p> <p>Dr. Anna Klima Herrengasse 1, Stiege 6</p> <p>Tel.: +43 2742 353 205 e-mail: ordination@drklima.at https://www.drklima.at/Startseite/</p>	<p>Center Apotheke Daniel-Gran-Str. 13, Super City Center</p> <p>tel.: +43 (2742) 219 39 fax: +43 (2742) 219 39-15</p> <p>http://www.center-apotheke.at e-mail: info@center-apotheke.at</p> <p>Apotheke Traisenpark Mag. pharm. Erich Zöchling Dr.-Adolf-Schärf-Str. 5, Traisenpark</p>

5.3. Mental Health Support

- Austria has six Psychological Counseling Centers to help students start their university studies, assist them in their personal development and provide guidance for academic and personal challenges. The closest Psychological Counseling Center for students studying in St. Pölten is located in Vienna. Professional mental health support is provided for free by clinical psychologists and psychotherapists.

Click [here](#) for more information.

- At the USTP, trained student volunteers of Peers4You offer support to other students in difficult situations.

Click [here](#) for more information.

- The free hotline for mental health emergencies in Lower Austria is 142.

Click [here](#) for more information.

5.4. Banks and Credit Cards

Most Austrian banks are open from Monday to Friday.

To open a bank account in a bank in St. Pölten, you need the following documents:

- valid passport or identification card,
- your enrolment confirmation
- your 'Meldezettel'.

You can request an information sheet with detailed instructions on how to open a bank account in Austria at the International Office.

Most businesses in Austria accept all major international credit cards.

5.5. St. Pölten On Foot / By Bike:

St. Pölten is a rather small town, so the best way to get around is on foot or by bike. If you want to buy a bike, you can find several bike shops in the city centre and in the shopping centres (e.g. 'Traisenpark' and 'Super City Center'). For second-hand bikes, check www.willhaben.at. Bike rental is also available (€ 1.00 per hour/€ 8.00 for 24 hours, the first half hour is for free). There is a bike station right in front of the Fachhochschule. For further information see www.nextbike.at.

5.6. Post Offices:

The post office which is situated closest to USTP is

Postfiliale 3100 St. Pölten

Bahnhofplatz 1a

3100 St. Pölten

Stamps, as well as newspapers, can also be bought in a so-called 'Trafik' (tobacconist).
